### Pick Up Your Packages!!!!

As you may already know, we recently had an incident where someone wandered into our building and helped herself to some of the packages in the mailroom. Port Orange Police were notified and are allegedly investigating this crime. The sooner you grab your package the better.

Please be vigilant about who you see slipping into our front door. We have a lot of contractors, health care providers and delivery folks that are coming and going, if something looks suspicious let a board member know, Laura; if she is in the office, or call the police if necessary.

## Garage Sale

Once again, our community garage sale was a bit hit, raking in a whopping \$2,666.00. Thank to the social committee and all the volunteers that made this happen. Also, thank to all those that donated items to be sold. A special thank you to Louann and Fran unit 603, for bringing bagels for the volunteers. I heard the bagels were great and they came from Manzano's Deli in Port Orange by Winn Dixie.

Watch the calendar for other social committee events such as Bingo and now,

**Game Night** is back.
